

HALLOWEEN PARTY HELD at the COMMUNITY CENTRE
SEPT: 1975. SAUS/MASH SUPPER TO MARK THE ENDING
OF THE "TOWN & COUNTRY" PROJECT WITH RAF CROUGHTON.

END OF A BEAUTIFUL FRIENDSHIP!

THE SUCCESSFUL conclusion of a "getting to know you" project between Towcester Evening W.I. and families from the U.S.A.F. base at Croughton was celebrated with a social evening at Towcester Community Centre on Saturday.

The project, which was financed by the Carnegie United Kingdom Trust, was launched in 1972 to promote an exchange of ideas and traditions, both social and cultural, between W.I. members and the American visitors.

Over the years, parties from the air base have been shown some of Towcester's most interesting places including Easton Neston, home of Lady Hesketh; the Health Centre, the Junior School and St. Lawrence's Church.

On Saturday, Mrs. Vera Everett, president of Towcester Evening W.I., presented Mrs. Marge Brown, president of Croughton Wives Club, with a small rose bowl as a memento of their friendship.

Mrs. Everett said that although the project was at an end, she sincerely hoped that they would continue to exchange visits in the future.
